Keynote Speaker: Mike Feuer

Los Angeles City Attorney

Co-Founder, Prosecutors Against Gun Violence

A national leader in preventing gun violence, Feuer created the L.A. City Attorney’s Gun Violence Prevention Unit to keep guns out of the hands of criminals and kids. Nationally, Feuer joined with Manhattan District Attorney Cyrus Vance, Jr., to co-found and chair Prosecutors Against Gun Violence – an independent, non-partisan coalition devoted to prosecutorial and policy solutions to the public health and safety crisis of gun violence.
