RE: SB 54 (De León): California Values Act: Sharing Data- SUPPORT

Dear Senator De Leon,

On behalf of the Santa Barbara Women's Political Committee (SBWPC), I am writing to express support for SB 54 addressing sharing data. SBWPC's mission is dedicated to furthering gender equality and other feminist values through political and social action and educational activities. Our organization is one of the largest women's political committees in Santa Barbara County. We advocate for a diverse set of positions including Immigration.

We support this bill because a relationship of trust between California's immigrant community and state and local agencies is central to the public safety. We support "...comprehensive and humane immigration reform in order to create a legal, fair, and safe workplace for all workers, schools for all students, and a community free from harassment and intimidation based upon immigration status." (<http://sbwpc.org/positions-new/>)

Therefore, the Santa Barbara Women's Political Committee supports the bill's provisions to repeal Health and Safety Code § 11369, as well its prohibition "...of state and local law enforcement agencies and school police and security departments from using agency or department money, facility, property, equipment or personnel to investigate, interrogate, detain, detect or arrest persons for immigration enforcement purposes...." (Senate Floor Analysis)

SBWPC supports SB 54 and strongly urges its passage in the Senate.

Thank you for reviewing our organization's position on this issue. Should you wish to communicate further with us, please email us at info@sbwpc.org or visit our website: www.sbwpc.org

Sincerely,

Catherine Swysen, President SBWP
