RE: HR 610 (King) – School Vouchers - OPPOSE

Dear Congressman Carbajal,

On behalf of the Santa Barbara Women's Political Committee (SBWPC), I am writing to express opposition to HR 610 (King) addressing school vouchers and school breakfast/lunch programs. As you know, SBWPC is dedicated to furthering feminist values through political and social action and educational activities. Our organization is one of the largest women's political committees in Santa Barbara County. We advocate for a diverse set of positions which include Educational Equity, in which we clearly state the following: "We oppose the use of public funds for non-public elementary and secondary education." (<http://sbwpc.org/positions-new/>)

We are aware that HR 610 seeks to establish school vouchers which would use public funds for non-public educational institutions.

The Santa Barbara Women's Political Committee regards HR 610 as a significant step in the wrong direction where educational equity is concerned. Therefore, SBWPC wishes to be recognized as a strong opponent to the bill and urges its defeat in the House of Representatives.

Thank you for reviewing our organization's position on this issue. Should you wish to communicate further with us, please email us at info@sbwpc.org or visit our website: www.sbwpc.org

Sincerely,

Catherine Swysen, President SBWPC
