RE: HR 921 (Lofgren) – Community Trust Act – SUPPORT

Dear Congresswoman Lofgren:

On behalf of the Santa Barbara Women's Political Committee (SBWPC), I am writing to express support for HR 921 (Community Trust Act) which proposes the nullification of Executive Order 13768 (Enhancing Public Safety in the Interior of the United States).

SBWPC, which is one of the largest women's political committees in Santa Barbara County, is dedicated to furthering gender equality and other feminist values through political and social action and educational activities. We advocate for a diverse set of positions which include "...comprehensive and humane immigration reform in order to create a legal, fair, and safe workplace for all workers, schools for all students, and a community free from harassment and intimidation based upon immigration status." (<http://sbwpc.org/positions-new/>)

We therefore agree with HR 921's goal to deny the Federal funding required to enforce Executive Order 13767, which vastly expands the criteria for deportation. Moreover, we support the bill's position questioning the possible withholding of Federal funds to so-called sanctuary jurisdictions that refuse to comply with a federal statute requiring the sharing of information with immigration authorities. The Santa Barbara Women's Political Committee strongly supports HR 921 and urges its passage.

Thank you for reviewing our organization's position on this issue. Should you wish to communicate further with us, please email us at info@sbwpc.org or visit our website: www.sbwpc.org

Sincerely,

Catherine Swysen, President SBWPC

RE: HR 676 (Conyers) – Expanded & Improved Medicare for All - SUPPORT

Dear Congressman Conyers,

On behalf of the Santa Barbara Women's Political Committee (SBWPC), I am writing to express support for HR 676 addressing the establishment of the Medicare for All Program which will provide free health care for all individuals residing in the United States and U.S. territories. SBWPC is dedicated to furthering gender equality and other feminist values through political and social action and educational activities. Our organization is one of the largest women's political committees in Santa Barbara County. We advocate for a diverse set of positions which include Health Care, in which we clearly state the following: "We support the development of an affordable nationwide health plan to make quality care available to all women and their families regardless of income, race, gender, age, socio-economic barriers, sexual orientation or gender identity."

[\(http://sbwpc.org/positions-new/\)](http://sbwpc.org/positions-new/)

We support the bill's goals of a publicly financed, privately delivered health care system and agree with the basic tenet that health care is a human right and thus should be available to every citizen. We also agree with you, that we have a need to reduce health disparities by race, ethnicity and income and to provide high quality, cost-effective care to all individuals.

The Santa Barbara Women's Political Committee regards HR 676 as an important step forward in providing quality health care to all Americans. Therefore, SBWPC wishes to sign on as a supporter of the bill and to urge its passage.

Thank you for reviewing our organization's position on this issue. Should you wish to communicate further with us, please email us at info@sbwpc.org or visit our website: www.sbwpc.org

Catherine Swysen, President SBWPC

RE: HR 920 (Lofgren) – Protecting our Border Communities Act – SUPPORT

Dear Congresswoman Lofgren:

On behalf of the Santa Barbara Women's Political Committee (SBWPC), I am writing to express support for HR 920, which proposes the nullification of Executive Order 13767 (Border Security and Immigration Enforcement Improvements).

SBWPC, which is one of the largest women's political committees in Santa Barbara County, is dedicated to furthering gender equality and other feminist values through political and social action and educational activities. We advocate for a diverse set of positions which include "...comprehensive and humane immigration reform in order to create a legal, fair, and safe workplace for all workers, schools for all students, and a community free from harassment and intimidation based upon immigration status." (<http://sbwpc.org/positions-new/>)

We therefore agree with HR 920's goal to deny the Federal funding required to enforce Executive Order 13767, whose far-reaching effects would undermine not only the stability of our border communities, businesses, and families, but also diminish the multiple nation-wide benefits their significant contributions have created and maintained. The Santa Barbara Women's Political Committee supports HR 920 and urges its passage.

Thank you for reviewing our organization's position on this issue. Should you wish to communicate further with us, please email us at info@sbwpc.org or visit our website: www.sbwpc.org

RE: HR 920 (Lofgren) – Protecting our Border Communities Act – SUPPORT

Dear Congresswoman Lofgren:

On behalf of the Santa Barbara Women's Political Committee (SBWPC), I am writing to express support for HR 920, which proposes the nullification of Executive Order 13767 (Border Security and Immigration Enforcement Improvements).

SBWPC, which is one of the largest women's political committees in Santa Barbara County, is dedicated to furthering gender equality and other feminist values through political and social action and educational activities. We advocate for a diverse set of positions which include "...comprehensive and humane immigration reform in order to create a legal, fair, and safe workplace for all workers, schools for all students, and a community free from harassment and intimidation based upon immigration status." (<http://sbwpc.org/positions-new/>)

We therefore agree with HR 920's goal to deny the Federal funding required to enforce Executive Order 13767, whose far-reaching effects would undermine not only the stability of our border communities, businesses, and families, but also diminish the multiple nation-wide benefits their significant contributions have created and maintained. The Santa Barbara Women's Political Committee supports HR 920 and urges its passage.

Thank you for reviewing our organization's position on this issue. Should you wish to
