**PRESIDENT'S UPDATE**

Catherine Swysen

**30 Years of Feminism:**

***From Marching in the Streets to a Seat at The Table***

**JOIN US IN THE ROOM WHERE IT HAPPENS**

**Keynote Speaker**  
**SUPERVISOR SHEILA KUEHL**  
***More Than A Seat at the Table –***  
***A Place in the Room***

**SBWPC celebrates its 30th anniversary this year.** In 1988 a few women had a conversation that turned into a Betty Friedan event at Zelo's, and the rest is 30 years of feminist political history. Faced with one of the most repressive administrations in Washington, D. C., the women of the United States have coalesced into a movement, marching into the streets in unprecedented numbers AND taking our power to the ballot boxes in local, state, and national elections.

The Presidents' Circle Luncheon kicks off year 30 with Los Angeles County Supervisor SHEILA KUEHL as Keynote Speaker. Kuehl is the living example of our theme, as she has moved from teen television star to public-interest attorney to the first openly lesbian person elected to the California Legislature. After 14 years in Sacramento, Kuehl was elected to represent the 3rd District of the LA County Board of Supervisors in 2014, and was recently elected Chair. Supervisor Kuehl has not only taken her seat at the table, she has entered the room and made all the difference!
