

**SB 1191 (Hueso), 2018: Crimes: elder and dependent adult abuse: investigations.**

Dear Gov. Brown,

The Santa Barbara Women's Political Committee <https://sbwpc.org/> supports **SB 1191 (Hueso)**. As one of the largest women's political committees in CA with over 400 members, we advocate for feminist values which include "establishment and expansion of quality long term care programs for the elderly..." Therefore, SBWPC strongly urges you to sign into law **SB 1191 dealing with elder and dependent care abuse.**
