RE: HR 5936 - Land Preservation and Protection Act - SUPPORT

Dear Rep. Carbajal,

On behalf of the Santa Barbara Women's Political Committee (SBWPC), I am writing to express support for HR 5936 addressing a new supplemental environmental impact statement for oil and gas development. SBWPC's mission is dedicated to furthering gender equality and other feminist values through political and social action and educational activities. Our organization is one of the largest women's political committees in Santa Barbara County with approximately 300 members. We advocate for a diverse set of positions which include the environment <https://sbwpc.org/positions/>.

We support efforts to substantially improve energy efficiency and conservation and to bring large amounts of renewable energy online with a sense of urgency.

The Santa Barbara Women's Political Committee regards HR 5936 as an important step forward in public policy requiring strong stewardship and nurturing of our environment. We support aggressive reduction of the use of fossil fuels, due to the environmental degradation that results from their production and combustion. Therefore, SBWPC wishes to sign on as a supporter of HR 5936.

Thank you for reviewing our organization's position on this issue. Should you wish to communicate further with us, please email us at [info@sbwpc.org](mailto:info@sbwpc.org) or visit our website: [www.sbwpc.org](http://www.sbwpc.org)

Sincerely,

Luz Reyes-Martin  
President SBWPC
